

## Community Partners

We are thankful for our community partners. Because of you Kingwood Ballet has been able to reach our goals year after year. Kingwood Ballet is a DBA company for Kingwood Dance Theatre, a 501c3 non-profit, pre-professional ballet company and serving communities located in northeast Harris and southwest Montgomery counties since 1984.

Kingwood Ballet provides the local communities with an affordable alternative for families to enjoy classical and contemporary ballet. We include young dancers in our productions to give aspiring ballet dancers the opportunity to experience the work and joy in performing. Our productions also provide the avenue for older dedicated ballet dancers to exhibit skill and talent before they leave the company to continue their training and dance professionally.

Our season typically consists of our Sugar Plum Tea to introduce younger attendees to the art of dance, The Nutcracker Ballet before an audience between 2,400 to 2,700 each year, Ballet Gala that highlights a repertoire of ballets choreographed by nationally renowned choreographers and held at the Hobby Center, and our spring-time Story Ballet. Kingwood Ballet is recognized for our excellence by being awarded an Honor Company status from Regional Dance America and through the issuance of grants from Texas Commission on the Arts and National Endowment for the Arts.

Generous donors like you make it possible for Kingwood Ballet to continue educational training for our dancers, secure renowned choreographers, and provide the art of dance for our local communities. It is our hope that you can either join us as a new Kingwood Ballet Sponsor or continue as a returning sponsor in any way you are able. Please review the attached information detailing our Sponsorship options.

Sincerely

**Kelly Agnew**

Kingwood Ballet Director

**Glenna Peterson**

Kingwood Ballet Guild President
